WHY SPIN YOUR WHEELS ON AN AVERAGE EXPERIENCE WHEN YOU CAN CALL ENCORE CREATIONS TO CREATE AN EXCEPTIONAL EVENT?

"What Eddie created and produced inside a giant Vegas warehouse is rarely done! Eddie took a big empty space and transformed it into an intimate dining experience for the guests to interact while at the same time creating a stage and video design for a true celebration of talent! Eddie's talent never ceases to amaze me and I enjoy thinking of what he will do to top this event with his next!"

Encore Creations is a Certified Special Event Professional company and a proud member of the International Special Events Society. Our intimate firm specializes in creative, design, marketing, management and production of business, social & destination events worldwide.

We have worked on projects ranging from intimate cocktail parties for small businesses to spectacular events for large corporations. From strategic designs to spectacular productions, we create event experiences that will guarantee your returns. As destination event experts, our global network and affiliates enables us to provide turnkey event services nationally and internationally.

In addition to our business clientele, our social division at Encore Creations services special celebrations like anniversaries, birthdays, sweet sixteen, quinces, bar and bat mitzvah, and extravagant theme parties.

I invite you to connect with our team, review our services and discover your very own creation of success!

OUR GOAL & PURPOSE

To amaze, inspire and entertain with custom event experiences and solutions that are all about your goals and objectives while providing value and making a difference! We want to create success!

OUR COMMITMENT

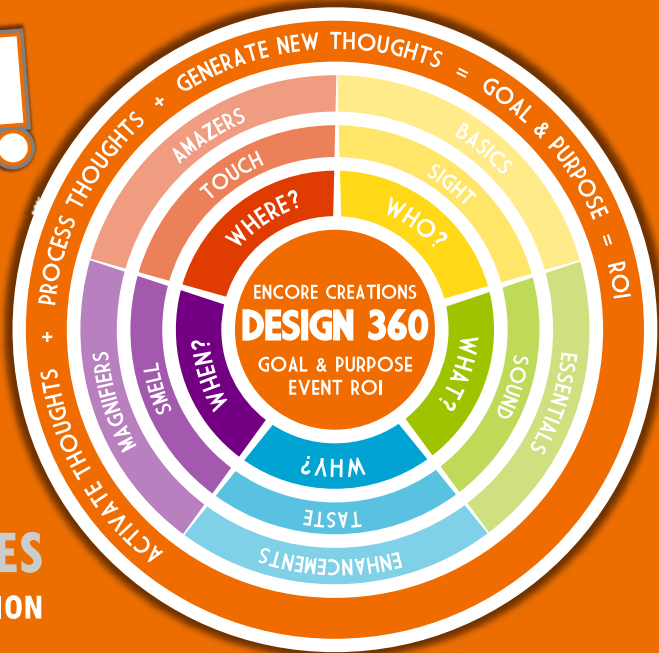

To share our passion and creativity with every creation.
To live by our motto "We are as good as our last event!"
and to always deliver a worry-free experience!

CREATIONS of Success!

OUR FORMULA

We begin our Creation of Success with a clear picture of the end result. We ask "What are your event goals and objectives?" From there we begin assembling a strategic master plan for your event. From a simple event specific service to turnkey event package our Event Design 360™ Formula approaches each project with the respect and mind set of maximizing your event investment. Each event and service we provide is carefully choreographed and designed to provide results and peace of mind. We are all about creating your success!
